

Ever Tried to Clean a Trash Chute?

How about a dumpster, bin or compactor? If yes, then you know how messy, smelly and unsafe it can be. Even with professional power washing, it doesn't look - or smell - like there's any difference. This is where Fresh Foam can help!

Get A Fresh Start With Fresh Foam!

Our innovative foam products use live bacteria to thoroughly and safely clean and deodorize your property's indoor and outdoor trash maintenance areas to improve the day-to-day experience of your residents, customers and visitors.

Traditional Cleaning

- ✗ Odors linger with traditional cleaning
- ✗ Traditional cleaning takes a long time
- ✗ Power washing is wasteful and sprays germs all over
- ✗ Traditional cleaning causes dirty puddles that can attract insects & pests

Fresh Foam

- ✓ Foam absorbs grime eliminating odors immediately
- ✓ Fresh Foam is faster so we don't disrupt your day
- ✓ Fresh Foam uses little water, leaves no mess, and doesn't spread germs
- ✓ Fresh Foam eliminates those attractions keeping the pests out

Sticks to any surface without dripping

Destroys grime and bacteria

Uses little water and no gas power

Save money - no rinsing needed

WHY WASTE MONEY & TIME WITH OUTDATED SERVICES WHEN YOU CAN GET THE BEST RESULTS WITH FRESH FOAM!

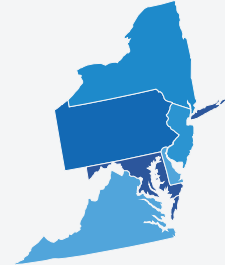

Benefits of Working With Fresh Foam
